

P.E.O. SCHOLAR AWARDS PROCEDURES AND GENERAL INFORMATION

POLICY GUIDELINES

I. PURPOSE

P.E.O. Scholar Awards are one-time competitive, merit-based awards for women of the United States and Canada who are either pursuing a doctoral level degree or are engaged in postdoctoral research at an accredited college, university or institution. In addition to recognizing and encouraging excellence in higher education, these awards provide partial support for study and research for women who will make significant contributions in their varied fields of endeavor. Priority is given to women who are well established in their programs, study or research.

II. ELIGIBILITY

A woman is eligible for nomination by a local chapter if she:

- is a citizen of the United States or Canada at the time of her nomination;
- at the time the award payment is made (August 1), is within two years of her graduation date and has a least one full academic year of work remaining to complete her doctoral level degree or postdoctoral research;
- is enrolled full-time in her program at an accredited college, university or institution;
- demonstrates academic excellence and seriousness of purpose;
- has clearly defined career objectives.

The applications of individuals who satisfy these eligibility criteria will be evaluated on a nondiscriminatory basis without consideration of race, national origin, religious affiliation or disability.

III. AWARDS

The P.E.O. Scholar Awards are given once each year for the ensuing academic year. Each is a significant monetary award that will provide partial support for a year's study. The number and amount of the awards are determined each year in accordance with the funds available.

Awards to Canadian women will be paid in Canadian dollars. The only exception will be if the Canadian recipient attends a U.S. university and incurs expenses in U.S. dollars, then payment may be in U.S. dollars if requested by the recipient.

NOMINATION PROCEDURE

I. NOMINATION

Nominations for the P.E.O. Scholar Awards are made only by local chapters. Nomination policies to be followed by the local chapters include:

- No information regarding the P.E.O. Scholar Awards may be placed on the website of any college or university.
- In identifying candidates, no formal pre-application process shall be used.
- Local chapters may not request from their nominees official transcripts or written recommendations. These documents are part of the confidential review process between Scholar Awards Board of Trustees and the applicant.
